OUR MISSION

Susan Wood
Executive Director
The Children's Center at
Caltech

Pauline McPeake
Founding Director
Canyon Crest Preschool

Our mission is to prepare today's children for the challenges of tomorrow.

Science, technology, engineering, and mathematics (STEM) experiences are essential in equipping our children with the tools necessary to create change and innovate.

Since 2011, the ECSTEM Conference brings together educators, business leaders, policymakers, and researchers to make strides in promoting and increasing awareness of the importance of STEM education in early childhood.

Sponsor

Promote your products and services at the 17th Annual ECSTEM Conference! Enhance your company's brand image, expand its network, and contribute to advancing early childhood education initiatives. Connect with early childhood professionals looking to learn, network, and shop for solutions!

Branding & Recognition

Your company's service or product will receive visibility from over 500 early childhood educators, directors, and school owners.

Promotional Opportunities

Your select advertisement will reach 18,000 educators via our social media: Instagram, Facebook, and LinkedIn.

Networking Opportunities

Increase your network with attendees, event sponsors, and the event team. Support teachers and make a difference in quality early childhood education!
